A special feature of the Department's activities is the decoration (to order), tollet articles in any desired color or design; also the engraving of monograms and initials in colors, sterling silver, gold or hand-carving.

Trimming Novelties

FOR AUTUMN AND WINTER GOWNS

are shown in lavish profusion in the Trimming Department, on the First Floor.

Most effective are the embroideries in silk and worsted, and the beaded bandings and ornaments, all striking the popular note in their rich Persian colorings; the girdles made of crystal, silver, jet or china beads, of gold or silver tinsel, or of beaded embrolderies; and the metal trimmings in effects of gold

Also there are large assortments of jet and spangle trimmings; dull jet trimmings for mourning use; soutache and other braids and passementeries; rosebud trimmings in silk and chiffon; plain and fancy buttons; and tassels of many kinds and colors.

Just Arrived: Autumn Importations From London's Leading Hatter

Those eminently smart but thoroughly practical Hats, which the most critical of English women wear with Tailored Suits or Top Coats.

The collection—now displayed—includes the finest of English Felt Hats in dull or brilliant finish and in colors to match Autumn Suits. Simply but cleverly trimmed with bands and bows, or perhaps a touch of metallic braid, or a bit of brilliant plumage. Brims, soft and pliable, may be worn at any becoming angle. A varied and very interesting assortment. \$4.95 to \$10.00

\$10.00 Banded Velour Hats, \$7.95 In every deep, rich Autumn color; soft, furry Velour Hats of exceptionally fine quality; tailored lined.

A Collection of New Black Hats Featured for Thursday's Selling at \$6.95

The vogue of the Black Hat is responsible for this new group of distinctly clever creations, with that touch of color now so fashionable or in all black. Shapes, large, medium, small, are of Lyons Velvets. Panne Velvet or Hatters Plush and introduce many new and striking style notes.
